EQUINOX DRUMMING CIRCLE

Traditional societies have observed the equinox, the time when day and night are equal and in balance. Drumming in celebration of the equinox can help us find our own point of balance.

Dom Roberti leads the group drumming which will be followed by visualization of a journey to seek insight and healing, after which there will be time for sharing and more drumming.

Bring a drum or rattle if you have one.

RSVP at 215-879-7733 or www.twcp.org by March 18.
