

Bryn Mawr Film Institute

Help TWCP Go Digital and Green, and Win Passes or a Membership to the Bryn Mawr Film Institute!

TWCP is continuing to build its e-mail list for distributing newsletters and calendars electronically. **TWCP** encourages all of its newsletter and calendar recipients to join this list today and save some trees in the process! Please visit our Contact Us page and scroll down. Fill in the name and e-mail boxes at the bottom of the page, and choose to receive the newsletter and/or calendar via e-mail only and to be removed from the mailing list. Those who do are eligible to win passes, and one lucky grand prize winner will receive a "Producer Couple" membership valued at \$200.

Anyone who has made the switch will be made eligible, but the online contest closes Thursday, June 5.

Winners will be announced at this year's "Celebration of Hope" and will be notified via e-mail or by telephone. All of those eligible will then be randomly selected to win one of ten pairs of tickets to a film at the Bryn Mawr Film Institute (some restrictions apply). And, one lucky winner will get the following for one year:

Producer couple membership:

- Every day admission for \$4.50 per ticket for all films at all times
- Free exclusive sneak preview passes to upcoming films (may be reserved by e-mail)
- Three-day advance ticket sales at the box office
- Advance mailings of upcoming films and events
- A 10% discount of film education courses
- Six free passes to use as needed
- Four café coupons
- \$1.00 off rentals at TLA Video

The membership has a \$200 value and is good for one year from the issue date.

The Wellness Community of Philadelphia thanks its generous partner, the Bryn Mawr Film Institute. To learn more about them, visit <http://www.brynmawrfilm.org/>, or call the number below:
